- Operated in environmental conditions within the normal specified operating range of the product.

Tanko Lighting reserves the right to examine any failed products to determine the cause of failure and patterns of usage. Tanko Lighting will not be liable for failures due to:

- External causes, such as Acts of God, accident, abuse, abnormal use, mishandling, negligence, misuse, fire, water damage, theft, vandalism, riot, explosion, natural disaster, or other circumstances unrelated to product performance
- Faulty installation, inadequate maintenance, tampering, transportation damage, misapplication, and/or violation of any applicable standard or code
- Products for which Tanko Lighting has not received full payment
- Products not manufactured by Tanko Lighting (including controls, etc.) and/or circumstances in which Tanko Lighting products are replaced with products made by other manufacturers
- Costs for shipping, removal and installation
- Consequential, incidental, special or resultant damages (including lost profits or revenues or any other costs or damages) which may arise from product defects, whether foreseen or unforeseen

This warranty is not transferable and is applicable only to the original purchaser. Tanko Lighting makes no other warranty, statutory or otherwise, and none is implied. No warranty of merchantability or fitness for a particular purpose is made or is to be implied. No distributor or supplier of Tanko Lighting has the authority to modify or amend this limited warranty.
